

# ASEF SYED FOUNDATION

## VISIONARY ROADMAP

Our vision is to redefine the standards of charitable work by setting a precedent in the non-profit sector: zero administrative fees, no salaries for board members, and full transparency in our operations. We are committed to restoring the true Islamic values of zakat, sadaqah, and service to the vulnerable — with every penny going directly to those in need.

WE ARE HERE

### PHASE 1

#### IMMEDIATE RELIEF AND SPIRITUAL UPLIFTMENT

We still need to paint the walls, create the ceramic floor (they currently sleep on a dirt floor) & buy bunk beds for the orphans.

WE ARE CURRENTLY SUPPORTING AN ORPHANAGE & MADRASSA IN BOGRA, BANGLADESH, WHERE STUDENTS ARE STUDYING TO BECOME HAFIZ. THE FACILITY ALSO SERVES AS A MASJID

We also create water wells for \$250

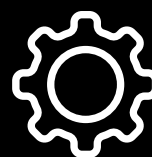

### PHASE 2

#### BUILDING THE ASEF SYED FOUNDATION CENTRE

- WE HAVE ALREADY ACQUIRED THE LAND & LAID DOWN THE BUILDING FOUNDATION.
- WE ARE FUNDRAISING TO BUILD A LARGER ORPHANAGE & HOME FOR THE ABANDONED ELDERLY

REDEFINE THE STANDARDS OF CHARITABLE WORK

UNCLOCK THE IMAGINATION OF THE YOUTH

CREATE THE NEXT GENERATION OF INPIRATIONAL LEADERS

### PHASE 3

#### FREE HEALTH CARE CLINIC FOR THE IMPOVERISHED

In the final phase, we plan to establish a free medical clinic within the Foundation Centre to serve those in extreme poverty. Healthcare is often inaccessible in rural Bangladesh, and our goal is to ensure no one is denied care due to financial hardship. We aim to collaborate with Doctors Without Borders and other medical volunteers to provide essential services, side by side with our orphan and elderly care programs.
